Hirschvogel Components, Sanaswadi, Pune

The Hirschvogel Group manufactures steel and aluminium components for the automotive industry.

AEPPL is providing Design Engineering services for an expansion work.

This time the biggest challenge was to execute 7M deep basement trench for a new Press in a running plant.

Our structural team led by Rakesh Kumar along with Hirschvogel team jointly put lot of efforts and successfully completed the project.

AEPPL received repeat order from CRC Expansion project in Tetra Pak Campus, Chakan MIDC.

Endress+Hauser Wetzer, Aurangabad

AEPPL is providing Interior Design services to E&H Wetzer in Aurangabad.

The area of project is 12,000 Sqft. The office interior is transparent & futuristic and creates a lively work environment for its employees

I Cube Office – Schaeffler India, Maneja

AEPPL is commissioned to design the revamping of existing office for Schaeffler India at Maneja, Gujarat.

The requirement here is to optimize the use of available area to fit in more number of staff along with meeting rooms and huddle zones. The project is in execution stage.
